

## COMP2511 GROUP ASSIGNMENT PLANNING

- Team Member Availability

Taehwan: Wednesday, Thursday, Friday

Zhibo: Thursday, Friday, and Saturday evening.

Zhou Rui:

Qincheng: Monday morning, Friday, Saturday

Zheyao:

- Sequencing of Tasks

Because designing UML and User Interface Design heavily depends on User stories, Epic Stories and Assumptions, due date for User stories, Epic Stories and Assumptions will be 30/06 while due date for UML and User Interface Design will be 01/07.

- Allocation of Tasks

Because User Stories and Epic Stories together will be a heavy work, one person each assigned to User Stories and Epic Stories. Other tasks, UML Design, Planning, Assumptions and User Interface Design assigned to each one person as well.
